

October 2018

**HeppSY stands and workshops at
Outwood Academy Adwick Parents Evenings
in 2018-2019**

Dear parent/carers,

The HeppSY Project is an exciting project that is part of the National Collaborative Outreach Programme. The aim of the project is to increase the number of young people progressing to Higher Education. As part of this project, Outwood Academy Adwick have invited university and careers stands to the Parents Evenings on the 23 October 2018, 15th January 2019 and the 14th May 2019.

University and Careers stands

The stands will be from the University of Sheffield, Sheffield Hallam University and Careers Inc. They will be in the Student Entrance between 4-7pm so that both parents and students can ask the teams any questions on a one-to-one basis. Prospectuses/handouts will also be available.

SHU Bitesize Workshop for Year 11 parents

At the parents evening on the 15th January 2019, there will be a Sheffield Hallam University Bitesize workshop for Year 11 parents only. This will be a foody-themed roadshow session covering what Higher Education is, university courses, entry requirements, sports and societies and brief student finance. An invitation letter for parents will be handed out to students nearer the time.

We hope that you find these stands and workshops useful, to help you assist your child in making important decisions about their future.

Many thanks for your support,
The HeppSY Team
Outwood Academy Adwick
