

30 June 2020

Dear Parents / Carers

Free School Meals

I wrote to you on the 25th June to inform you that your child would no longer be eligible for the free school meal vouchers you've received during the lockdown period. The official leaving date for your child was Friday 26th June at which point they were removed from roll.

I am pleased to confirm that following the Trusts representation to the Government to review their position, you will continue to receive these vouchers over the summer holiday and that we will keep Year 11 and Year 13 students on roll until the end of the summer time so that we can continue to support their wellbeing and next steps during this challenging time.

We hope that this contribution will offer you some support over this period and please do continue to contact the Academy if you have any concerns.

Yours faithfully

Mr Andrew Scruby
Principal
