

## **GCSE Results 2018**

Outwood Academy Adwick students achieve best results ever!

English and maths remain consistently strong at Outwood Academy Adwick with 75% of students achieving a grade 4 or above in English and 69% in maths.

Improvements were also seen at grade 5+ in both of these important subjects, and the results at both 4+ and 5+ will ensure that students go on to secure their chosen pathways at Post 16.

The academy further secured another increase at both 4+ and 5+ in combined English and maths.

These levels of achievement and success are testament to the hard work and resilience of students, and the academy would like to thank parents and carers for their support.

Mrs Blundell, associate executive principal, commented “These results are ones of which the Academy is justifiably proud, and I would like to thank Mrs Allott, her staff and governors for their work in securing them.”

Special congratulations go to:

- Matthew Gursky who secured an amazing 10 grade 9s, a grade 8 and a Distinction\*
- Amy Maskrey with 5 grades 9s, 4 grade 8s, an A\* and an A
- Leo Messen with 7 grade 9s, and a raft of 8s and equivalents

The academy is incredibly proud of their students and wish them every success in the future.

Mrs L Allott  
Principal  
Outwood Academy Adwick
