

Dear [Student](#)

I hope that you are well and that you are carefully adjusting to a form of normality as lockdown is gradually eased.

As young people, you have faced a range of challenges and restrictions brought about by this pandemic which you could not have prepared for. From what I have witnessed you have responded admirably, especially as the academy closed with such short notice.

It has also been wonderful seeing so many year 12 students participating in the face to face academic sessions and tutorials over the past few weeks. Whilst this has been a very different way of working as we have embraced virtual technologies I hope the sessions have been valuable in supplementing your online learning and preparing for the important year ahead.

Due to schools being closed for the past 4 months the exam boards have developed a system to provide you with grades for the subjects that you were scheduled to complete this summer, based on the work you completed prior to lockdown and on the predictions provided by the academy.

**The year 12 results day is scheduled for Thursday 13<sup>th</sup> August**

Due to the current circumstances and our priorities in keeping everyone safe we are unable to offer our usual results collection sessions at the academy. Therefore we are arranging for your results to be emailed to you on the morning of Thursday 13th August via your academy Google-mail address.

It is important that you check that you have access to this email account and contact us as soon as possible if you have any concerns via the *contact us* section on the academy website so that we update your login details.

We understand that results day is usually an emotional occasion with a sense of release following the hard work and effort you have put in to reach this stage. Whilst we are not able to offer our usual experience for results day, we will be available to be contacted at the academy on the morning of Thursday 13th August should you have any queries regarding results and we will be providing a response form so that you can contact us prior to returning in September.

We look forward to seeing you all very soon and send our best wishes as we prepare for an important year ahead.

Yours sincerely

Andy Scruby
